APPLICATION FOR APPROVAL OF CONSTRUCTION AND FINANCING

Northern Kentucky Water District (NKWD), by counsel, petitions for an order approving the construction of improvements to the Dixie Highway water main as described below pursuant to KRS 278.020. Approval of the financing pursuant to KRS 278.300 is also requested. The project described in detail below does not involve construction as that term is generally used. Rather, an existing pipeline will be relined with an epoxy coating. The existing main will remain in place and continue to be used. No new pipe will be installed. If it is determined that the project does not need a certificate, NKWD requests an order dismissing this case.
